B1 Applicant's name

B1.1 Give the name of the applicant

This must be the same as the name given at A3, A4, A5 or A6 (as appropriate) in part A.

B2 Existing licence number (if you are applying to replace or change the licence)

You do not need to fill this in if your application is for a new licence. In this case go to B3.

B2.1 If you are applying to replace or change an existing licence, what is your current licence number?

B2.2 Please give a brief outline of the changes you wish to make to your licence.

B3 Restoring sustainable abstraction

B3.1 Is this application a result of the restoring sustainable abstraction programme?

No ☐

Yes ☐

B4 Source of supply

Please follow the guidance notes on part B closely.

B4.1 Where do you want to abstract from?

Groundwater ☐

Surface water ☐

B4 Source of supply, continued

B4.2 Which type of abstraction point will you be abstracting from?

(pick one from the list in B4.2 of the guidance notes)

B4.3 What type of activity or business goes on at your site?

The answer you give must be one of the options listed in B4.3 of the guidance notes.

B4.4 If you are abstracting from surface water, what is the name of the watercourse?

B4.5 If you are abstracting from groundwater, what type of aquifer is the groundwater in?

If you are not abstracting from groundwater, go to B6.

Give the name of the aquifer below.

B5 Groundwater investigation at the site

You do not need to fill this in if you are abstracting from surface water. In this case, go to B6.

B5.1 Have you carried out a groundwater investigation which you had a consent for?

No ☐ Contact us before you send in this application for advice on whether you need to carry out an investigation.

Yes ☐ Give your groundwater consent number below.
Groundwater consent number

B5 Groundwater investigation at the site, continued

If you have not already given us the results from your test pumping, attach them to this application form when you send it to us.

Also, fill in the table below to give us details of the boreholes, wells and so on you abstracted water from for the investigation. For each well, borehole and so on we need to know:

B5 Groundwater investigation at the site, continued

Also, fill in the table below to give us details of the boreholes, wells and so on you abstracted water from for the investigation. For each well, borehole and so on we need to know:

- its proposed size and depth;
- the type and thickness of the lining or linings, if any; and
- how you intend to prevent any leaks or overflow from it.

Map label	Depth	Diameter	Lining	How overflow or leaks will be prevented from artesian works (works where water reaches the surface under natural pressure without pumping)

B6 Discharge details**B6.1 Do you intend to discharge water abstracted from the site?**

No ☐ Go to B7.

Yes ☐ Give details below.

Where will you discharge the water to? (See the guidance notes for options)	Volume of water to be discharged of per day (in cubic metres)	National grid reference of discharge point, including map reference	Environmental permit number (if you have one)

B7 Further abstractions (temporary licences only)

You only need to fill in this part if you are applying for a temporary licence. If you are not applying for a temporary licence, go to B8.

B7.1 Do you expect to carry out further abstractions at this site in the future?

No ☐ Go to B8.

Yes ☐ How often and for what purpose?

B8 Water rights trading**B8.1 Are you making this application as part of an agreement to trade water rights with someone else?**

No ☐ Go to B9.

Yes ☐ Give the name or licence number of the person you are trading water rights with?

If there is more than one licence or person, please provide details on a separate sheet.

B8.2 Please fill in the table below with details about the proposed trade

If you have design drawings or details, attach them to this application form when you send it to us.

B15 Aggregating abstraction under the licence you are applying for**B15.1 If this application has more than one purpose, do you intend to aggregate the quantities you are applying for?**

No ☐

Yes ☐ Provide details on a separate sheet.

B16 Making a pre-application

We can use the information you have provided so far to make an initial assessment of your proposal. We strongly recommend that you send us your filled-in parts A and B now, as a 'pre-application', so we can identify any problems before you pay the application fee. **We will carry out pre-application work up to 15 hours free of charge. Over 15 hours will be chargeable.** The current fees can be found at www.gov.uk or at the link here.

B16.1 Do you want to send parts A and B now as a pre-application?

No ☐ Go straight to part C or D as appropriate.

Yes ☐ Fill in B17 and send parts A and B, and any supporting documents, to us.

B17 Pre-application supporting documents**B17.1 Please read through this list and tick the items you are sending with this pre-application.**

Confirmation of the right of access or negotiations so far ☐

Continuation sheet for answers to questions ☐

A map (see the guidance notes for part B) showing the following:

Each point of abstraction ☐

The area of land the water will be used on ☐

The site of any proposed reservoir or water body which will be used for storage ☐

The points where water will be discharged ☐

An outline of land you occupy or have the right of access to ☐

B19 The Data Protection Act 1998

We, the Environment Agency, will process the information you provide so that we can:

- deal with your application;
- make sure you keep to the conditions of your licence;
- process renewals;
- advertise your application and make it available to the public in line with the Water Resources Act 1991; and
- keep the public registers up to date.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public bodies and other organisations (for example, Natural Resources Wales, the Department for the Environment, Food and Rural Affairs, the Health and Safety Executive, local authorities, the emergency services) on environmental issues;

B19 The Data Protection Act 1998, continued

- carry out research and development work on environmental issues;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows).

We may pass the information on to our agents or representatives to do these things for us.

B20 Commercial confidentiality and national security

You may be able to claim commercial confidentiality for information contained in your application. Please read the guidance note for this question, along with WR25 – **Public register and advertising applications**, before responding below.

Tick the box if you want to claim commercial confidentiality for some information in your application. Please treat the information listed and justified in the attached letter as commercially confidential. ☐

Note: You should make sure that we can easily identify the information which you consider to be confidential. It will help us if the information you want us to treat as commercially confidential is provided in a way which will allow it to be easily removed (for example, on separate pages marked 'claimed confidential').

You can ask the Secretary of State for information in your form not to be included in any public notice or the public register because including it would be a risk to national security. With your application you must enclose a letter telling us that you have asked the Secretary of State for this, and you must still include the information in your application. We will not include the information in any public notice or public register unless the Secretary of State decides that it should be included.

Tick the box if you are applying to the Secretary of State for National Security. ☐

PLEASE NOTE: You cannot apply for national security through this application.
